2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution

Terna Mahavidyalaya (Arts, Science & Commerce), Osmanbad runs traditional programme in Bachelor of Arts. i.e. B.A. Since July 1989. This programme is helpful to inculcate social and political values among Students. After completing the course students are recruited in State Government services or Private sector. Remaining students starts their own business.

Now a days Information technology is playing important role in Industrial, Social and Political sector. Our college runs B.C.A. (Bachelor of Computer Application), B.Sc. (Computer Science), M.Sc. (Computer science). These Courses are job oriented courses. There are huge opportunities for the students of these Programme. The syllabus of the above programme is useful to develop computer skills and Proficiency in computer knowledge of the students.

The curriculum of these courses is designed in as per requirement I.T. sector. After completing the course, students join to IT sector. These courses are treated equivalent to Engineering degree Courses. Hundreds of our Ex-Students and alumni are working in metro city like Pure and Mumbai. Students who have completed the degree acquire the ability to design, develop and implement the Programs and projects in IT Sector. Students can work effectively with professionals in various field particularly in Information and communication Technology sector.

We run Indira Gandhi National Open University regular study Centre in our college since July 2015. The following Diploma, Degree and certificates courses are offered at our Centre through distance mode.1. B.A., 2. B.Com. 3. M. A Hindi 4. M. A. English 5. M. A. Economics, 6. M.A. 7.Sociology

8. M.A. Political Science on distance learning mode. Those students who could not complete their education through regular mode can complete their education through distance mode. Those students who are serving Government sector can pursue their educational desires can also complete their higher education. Degrees and certificates obtained from IGNOU are equivalent to state universities and central Universities.
