

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution

Terna Public Charitable Trust's,
Terna Mahavidyalaya (Arts,
Science& Commerce), Osmanabad.

- Name of the Head of the institution **Dr. Ashok Gajendra Gholkar**
- Designation **In charge Principal**
- Does the institution function from its own campus? **Yes**

- Phone no./Alternate phone no. **02472299544**
- Mobile no **9422650251**
- Registered e-mail **ternamo@rediffmail.com**
- Alternate e-mail **ternamahavidyalayaiqac@gmail.com**
- Address **Plot No.01, M.I.D.C. Area,**
- City/Town **Osmanabad**
- State/UT **Maharashtra**
- Pin Code **413501**

2.Institutional status

- Affiliated /Constituent **Affiliated**
- Type of Institution **Co-education**

- Location **Urban**

- Financial Status **Grants-in aid**

- Name of the Affiliating University **Dr.Babasaheb Ambedkar Marathwada University, Aurangabad.**
- Name of the IQAC Coordinator **Dr. Rasheed Jilani Sayyed**
- Phone No. **02472299544**
- Alternate phone No. **9404676725**
- Mobile **9423342890**
- IQAC e-mail address **ternamahavidyalayaiqac@gmail.com**
- Alternate Email address **rasheedsayed@gmail.com**

3.Website address (Web link of the AQAR (Previous Academic Year)

<https://www.ternamvo.org/wp-content/uploads/2023/06/AQAR-2020-21.pdf>

4.Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

<https://www.ternamvo.org/wp-content/uploads/2023/05/Academic-Calendar-2021-22-college.pdf>

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	C+	64.00	2004	03/05/2004	02/05/2009
Cycle 2	B	2.10	2011	16/09/2011	15/09/2016

6.Date of Establishment of IQAC

08/06/2006

7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Nil	Nil	Nil	0	0

8.Whether composition of IQAC as per latest NAAC guidelines

Yes

- Upload latest notification of formation of IQAC [View File](#)

9.No. of IQAC meetings held during the year 02

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report **No File Uploaded**

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? No

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

IQAC motivated teachers to use e-learning resources, Video Clips, ICT lectures to make teaching Learning Process interesting during Covid-19 lockdown period. Promoted faculties to deliver online lectures using ICT tools. Promoted teachers to participate online Seminars, Conferences and Workshops. Guided to the eligible teachers to prepare the proposal for Career Advancement Scheme. Promoted teachers to complete Ph.D. research work as well as advised eligible teachers to submit proposals for research Guideship to University.

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
To motivate faculties to Publish research papers in the reputed Journals.	Six research papers were published in the reputed International Journals.
To arrange online lectures during the lockdown period.	Arranged online teaching lectures during the lockdown period.
To participate online in Orientation Course, Refresher Course, Short Term Course.	01 Faculty members participated in Orientation Course, Refresher Course, Short Term Course.
To collect annual teaching plan from all departments and to prepare college Academic Calendar.	IQAC collected annual plan from all departments and prepared college Academic Calendar.

13. Whether the AQAR was placed before statutory body? No

15.Multidisciplinary / interdisciplinary

Our College is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. As a affiliated college we have limited scope regarding curriculum design. Our college offers different programme that is (1) Bachelor of Arts, which has multidisplinary courses. It includes three languages i. e. English, Marathi, Hindi and four courses of Social Sciences i. e. Poltical Science, Sociology, History and Economics. (2) Bachelor of Computer Application Programme under Mangement Faculty.(3) Computer Science Programme under Bachelor of Science Faculty. Courses of Arts faculty are value based course. Choice Based Credit System

is implemented by the University for Bachelor of Computer Application courses.

16.Academic bank of credits (ABC):

Our College is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Our parent University presently has not implemented Academic Bank of Credits system to undergraduate courses. In future it will be implemented by University. Then our college will follow the instructions form University regarding Academic Bank of Credits System.

17.Skill development:

Our college runs programmes like Computer Science (B.Sc. C.S.) and B.C.A. which are useful for skill development and job oriented course in IT sector. Communication skills course is Compulsory Course for B.Sc. and B.C. A. programme. This course is helpful for students to increase English language competence and communication skill which enhances chances of employability. Our college organizes various lectures, workshop etc. activities to develop life skills, communication and up gradation of knowledge. Life skill and social awareness of students is developed through programmes and activities organized by N.S.S., Sports and Cultural Department.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Our college has courses in Arts faculty which are taught in bilingual method. Under Arts programme Marathi and Hindi languages are Compulsory courses. We run in our college Computer courses in English as well in Vernacular language. Our Teachers are trained to teach in English as well as Marathi simultaneously. It helps to understand the contents of courses for students. Courses of Arts faculty Marathi, Hindi, Political Science, Sociology, History and Economics are taught in Marathi language. There is English Language and literature as compulsory Course which is taught bilingually to students through mother tongue. Courses like History and Sociology is related with Indian Art, culture and social value based. Our college teachers uses bilingual method. Courses contents of Computer science and computer Application are provided in English language. But our Teacher use vernacular language in class teaching and lecture delivery. University also provides Question paper in examination bilingually i.e. English and Marathi for Arts faculty Students. Student has choice to solve the Question paper either in English or Marathi.

<p>19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):</p> <p>Our college has four programmes including Graduate and Post-graduate level. College endeavours for quality education by providing well planned Academic Calendar, Exam schedules, Students related notices and links to Syallbus on our college website. The college has developed students Academic Performance Monitering System.Teaching learning practices and evaluation methods are planned in Academic Calendar. Co curricular and extracurricular activities are organized accordingly with learning outcomes. Class tests, seminar and semester examinations helps in the monitering students academic outcome. The student satisfaction survey indicates students response towards syllabus, teaching learning method, programme outcomes and suggestions regarding quality improvement of teaching learning process.</p>
<p>20.Distance education/online education:</p> <p>Our college runs programmes like Computer Science (B.Sc. C.S.) and B.C.A. which are based on Information and Communication Technology. Our Teachers are well acquainted with ICT enable teaching learning and evaluation processes. During Covid-19 pandemic all subject's theory lectures and practical instructions were delivered through online and offline mode. Virtual conferences, workshops were attended in this pandemic period. Almost all departments have used online platform for teaching learning process. Our college has recognized India Gandhi National Open University Study Centre. It covers Bachelor and Master Degree Courses as Bachelor of Arts, Master of Arts in English, Hindi, Political Science, Sociology and Economics through distance education.</p>

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Being an affiliated Institution, the college is abided to follow the academic calendar of the affiliating University for curriculum delivery. To ensure the effective delivery of curriculum, the college has developed its own mechanism to monitor the overall process. Following the University calendar, the college prepares its own calendar and the same is circulated and uploaded on the Website. The calendar incorporates all the yearly activities to be undertaken. At the beginning of the session, staff council meeting is conducted to discuss the implementation of the perspective plan and all the faculty members are instructed to follow the calendar in teaching, learning and evaluation process. Thereafter, the time table is prepared and communicated to all Departments. The time-table is communicated to the students through college notice board and WhatsApp group. Besides, each department prepares its own plan for organization of the various academic activities. The teachers were asked to submit the progress report of the same the

IQAC. Similarly, the students are also instructed to submit the grievances through the complaint box with their suggestions and feedback. At the end of the academic year the report is submitted to the IQAC.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The IQAC is responsible to prepare and implement the academic calendar for delivering curriculum and organizing related activities. During the staff meeting, the progress of academic activities is reviewed. To ensure the adherence to the calendar, the daily curriculum delivery is noted in the academic dairy. The teachers are instructed to engage the extra- classes if the delivery is affected by the leaves. Each department conducts the unit tests, seminars, internal assessment and terminal examination as per the scheduled prescribed in the calendar. The department conducts internal evaluation to ensure adherence to calendar. The theory and practical periods are conducted as per the time-table. At the beginning of the session, bridge course is conducted to find the slow learners. A review on courses completion is taken by the Principal during staff meeting.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institution is very important part of society. It has a major role to play in various issues. Programms and courses covers following components to impart value education as follows.

- Issues relevant to professional ethics-

Many capacity building and personality development programs, courses and workshops are conducted by the institute to imbibe universal ethical principles such as honesty, trust, loyalty, respect for others.

- Issues relevant to environment and sustainability-

Our parent university has made environmental science as a compulsory credit course for all U.G. second year students. In the course study, student get introduced to ecology, ecosystem, natural resource conservation and management. Our N.S.S programs also handle different environment conservation activities such as tree plantation, water conservation, rural cleanliness.

- Issues relevant to gender-

The college follows reservation policies especially for women; constitution day is organized by the department of political science for awareness about the constitution day. Gender issues are exposed thoroughly to the students of literature.

- Human values issues-

The college organizes various activities to inculcate human values among the students such as welcome and send off function, celebration of National day, birth anniversaries of great people.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution always tries best for the academic improvement of students. At the beginning of the academic year different methods are applied to find out slow and advanced learners. It is done on the basis of tests and sometimes on the basis of marks obtained by student in previous year's examination. Those students who have obtained less marks than class average are considered as slow learners and those who have secured more marks than average are considered as advanced learners. To add into the knowledge of advanced learners, activities like seminars, lecture series, guest lectures are organized. To improve the academics of slow learners tests are arranged, study material and books are given from the departmental library of respective departments. Generally these efforts prove to be effective in improving the result of students but due to the pandemic and consistently extended lock down the above said pattern could not be implemented.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To increase students participation in teaching learning process, various student centric methods were applied by the institution. Student participation is encouraged by allowing them to ask questions in classroom on the completed topic. The entire process of the college is student centric and gives emphasize on their holistic development. Various activities and programs are organized by every department. Experiential learning: All departments encourage students to get an experience what they are studying in books. Departments of Marathi, Hindi, and English share the experience of their novels, dramas, short stories, and poetry. Departments of Political Science organized Voter's day as well as celebrated constitution day. Sports department arranges various types of sports events. Participative Learning: Participative learning plays a significant role in the actual learning process of our Teachers motivate students to participate in various activities such as literary and social science association, class seminar, group discussion, wallpaper publication, study tour. Students are inspired to involve in tree plantation and rangoli competition. The NSS, Sports and Cultural department organizes various participative activities. The Department of Computer Science has been completed projects on android based applications.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

During this academic year when classroom teaching was hampered due to the pandemic, online teaching was the only option to the problem. The institution took it as a new opportunity rather than a problem which led to discover new tools of teaching learning process. Teachers used ICT tools such as Google meet, Google classroom, PPT, Videos, You tube for teaching process. Online lectures were taken through Google meet. Teachers learned new techniques of making videos which includes recording, editing, embedding, PPT in videos etc. The videos are posted on YouTube so that student can see and learn the lecture repeatedly making it easy to understand. Prior to that Whatsapp group of student were created to provide links of lectures and examination. The same Whatsapp group were used to disseminate the important notices regarding examinations, deadline date of exam forms, GOI scholarship etc. Due to COVID pandemic restrictions teaching in academic year 2021-22 was in offline, online and blending mode. During restrictions teachers has provided e-content on Whatsapp groups. Audio visual material created by teachers has created interest in learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college academic calendar incorporates schedule for continuous internal evaluation. As per the academic calendar an examination committee is constituted every semester to coordinate the all internal and external examinations. The examination committee Coordinates and communicates with new updates to the students, teachers and administrative staff regarding examinations. The internal evaluation committee which evaluate the academic progress of students through the teaching learning and evaluation committee of the college functions. As per academic calendar internal examination schedule is displayed on notice board in advance. Every year two internal examination are held per semester. All teachers conducted class test at the end of each unit of syllabus. The internal examination is also conducted for practical courses. All subject teacher briefs student in the classrooms about the performance in the internal examination and also their attendance. After completion of examination teacher shows internal examination answer books after evaluation to the students. Internal assessment mark list is displayed on the notice board. All teachers properly maintain internal question paper, answer sheets, summary of mark list for academic monitoring. Physical presence of the students was barred on the campus during COVID 19 Pandemic.

File Description	Documents

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Terna Mahavidyalaya (Arts, Science & Commerce), Osmanbad runs traditional programme in Bachelor of Arts. i.e. B.A. Since July 1989. This programme is helpful to inculcate social and political values among Students. After completing the course students are recruited in State Government services or Private sector. Remaining students starts their own business. Now a days Information technology is playing important role in Industrial, Social and Political sector. Our college runs B.C.A. (Bachelor of Computer Application), B.Sc. (Computer Science), M.Sc. (Computer science). These Courses are job oriented courses. There are huge opportunities for the students of these Programme. The syllabus of the above programme is useful to develop computer skills and proficiency in computer knowledge of the students. The curriculum of these courses is designed as per requirement of I.T. sector. After completing the course,

students join to IT sector. These courses are treated equivalent to Engineering degree Courses. Hundreds of our Ex-Students and alumni are working in metro city like Pune and Mumbai. Students who have completed the degree acquire the ability to design, develop and implement the Programs and projects in IT Sector. Students can work effectively with professionals in various field particularly in Information and communication Technology sector.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The IQAC has a strategy to implement the various activities to enhance the quality of higher education. The Vision of the college is "To provide educational facilities to the rural area and students from peasants families." which indicates that the approach of the college towards holistic development of the students. The college offers Four programmes 1.Bachelor of Arts 2.Bachelor of Computer Science 3.Bachelor of Computer Application 4. Master of Computer Science. Out of four programmes Bachelor of Arts is a traditional programme and other programmes are skill enhanced which provides opportunities to students in IT sector. In every academic year our college has been working on the attainments of program outcomes and course outcomes. The college systematically makes plan to evaluate the students. Home Assignment, Class Test, Class Seminars, Group Discussion, and university assessment support to evaluate the learning outcomes. Programme specific outcomes (PSOs) are measured through overall performance of the student i.e. internal and external examination, in the practical and assignments, participation in class activities. Course outcomes (Cos) are measured through the performance of the student in the class, practical, internal evaluation and external evaluation. They are also measured on their regularity, punctuality, participation in class interaction.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Our college encourages and creates an ecosystem for innovation

and transfer of knowledge by providing various opportunities for the students and staff. College has an enriching ecosystem that supports creativity and innovation with an objective to enable resources for graduate and post graduates to do research through mentoring and networking, to create awareness about research and new innovations among students, to motivate students to participate and collaborate in programs with corresponding organizations for knowledge exchange and to shift from resource facilitator to resource provider for promoting and development research for students. During covid-19 situation, our faculties have participated in various research activities through online mode in order to create and transfer the knowledge. Our parent university has made Environmental Science as a compulsory credit course for all U.G. second year students. In the course study, student get introduced to ecology, ecosystem, natural resource conservation and management, Biodiversity conservation and learn environmental pollution control technology. Our N.S.S programs also handle different environment conservation activities such as tree plantation, water conservation, rural area cleanliness.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

“Vidyadhan Sarvdhan Pradhanm” is the motto of our institution. The vision of the institution is to provide quality education to the rural students, especially students from Farmer family.

“Vidyadhan Sarvdhan Pradhanm” means education is the best property. So all people including poor and farmers should acquire this with priority. Farmers are illiterate and that’s they are not able to improve themselves, but if they are educated, they can change their life with the help of modern techniques . So taking in to consideration the above factor, our institution dedicatedly providing better education to the poor and farmer students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Terna Mahavidyalaya, Osmanabad is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The college follows all rules and regulations laid down by Government and University. The administration process of the college is decentralized. The Principal along with the support of IQAC plans for the smooth functioning of college. The college has formed admission committee every year. Senior faculty members along with office administrative staff members are included in

the committee. The college has 10 other functional committees for academic year 2021-22. Principal holds general meeting of all the teachers and non teaching staff of college at the beginning of the academic year. The head of each committee and its members plan the working of the committee. And the planned activities are implemented accordingly. IQAC prepares annual Academic Calendar which includes all activities of the department and committee. All the committees are doing their work responsibly. All committees make their annual plans in the beginning at the year. Work distribution is allotted accordingly. Annual teaching plain is prepared according to Academic Calendar. The non-teaching staff works for administrative purpose. Head clerk controls the administrative work and he is being supervised by the higher authority of the college.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

To achieve the objectives set by the institute, the perspective plan is principally designed. Academic calendar incorporates all curricular, co-curricular, extra- curricular activities of the college. The college has many functional committees, associations and cells which work according to the broad objectives set in the perspective plan as well as the objectives set in the academic calendar. Various committees in the college are effectively working under the guidance of the Principal and Internal Quality Assurance cell. These committees periodically organized the meeting in the presence of the Principal to discuss various issues and take decisions on it. The decisions taken in the meeting are forwarded to the College Development Committee (CDC) for the final approval and to the final execution of decision, which ascertains the efficiency of working of every committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The College is governed by Terna Public Charitable Trust, Osmanabad and it is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Collge has Performance

Appraisal System for Teaching and Non teaching staff. The assessment and promotion of teaching staff of the college is based on Academic Performance Indicator (API) and Performance Based Appraisal System (PBAS) as per the regulation of UGC, New Delhi, Dr. B.A.M.University, Aurangabad and Government of Maharashtra. Currently the College follows the guidelines of UGC regulation, July 2018. The API is filled in by the staff, verified by the HOD and submitted to IQAC. Every academic year IQAC collects the API form all the faculty members. Performance Based Appraisal System forms are screened for such staff members and validated by the IQAC. The subsequent promotion is through a procedure of verification of scores, recommendation by The management and personal interviews by the panel constituted as per norms. The committee forwards the case to the Joint Director, Higher Education, Government of Maharashtra for Pay and Grade Fixation. The Performance appraisals system for non teaching is carried out through report by Office Superintendent to the Principal.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

To maintain and enhance the Academic and administrative quality of the institution college has established Internal Quality Assurance Cell. Quality Assurance strategies initiated by the IQAC are as follows. IQAC prepares Academic Calendar and monitors the activities regularly. It ensures optimum utilization of the available infrastructure and human resources. Accordingly it has adopted quality improvement strategies in curriculum delivery, teaching - learning, examination, research and development. Teachers were encouraged to create WhatsApp groups of each class for online teaching. During Covid-19 all the activities planned in the institutional academic calendar were hampered and need to be postponed. But IQAC strived to stick to the planned activities as per time available through online and offline mode. For this it strengthened its two important platforms namely online mode of teaching and to assist the result of online content delivery to the students. During Covid-19 there came a gap between teachers and students as physical presence on campus was barred due to Government circular from time to time.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college has a functional IQAC set up as per the norms at periodic intervals, the institution reviews its teaching learning process, structure and methodologies of operations and learning outcomes through IQAC by the following ways.

Student's feedback : Curriculum based online feedback is taken and analyzed and action taken report is prepared. Student's feedback significantly shows the quality of the process. Due to the pandemic online teaching is introduced and teachers created the whatsapp groups. ICT tools were used to deliver lectures. The faculty makes maximum use to ICT in teaching learning process, 01 LCD projector is available for effective teaching learning process. The approach of IQAC has always been focused on student centric teaching learning process and has designed the policy to assess and evaluate it from time to time.

Academic monitoring : The institution has developed its own standard system to monitor its teaching learning process and academic activities. Academic audit is done through internal committee set up by Principal and external committee appointed by the university. Principal conducts the regular meeting and takes the follow up of activities. Syllabus completion is strictly monitored by the Principal and the syllabus is completed within the stipulated time.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college has been sensitive to the issues of gender equity & sensitization is carried out through various curricular and cocurricular activities, and by providing facilities for women. There is 24 hours security in the college the security is managed by duty appointed. All the preventive measure for the safety and security are being taken care. The college provided separate common room for girl student. The girl's common room is well equipped with emergency need like Sanitary, Napkin, Vending Machines and first aid kits. The college is very keen regarding safety and security of the girl students and women faculties. The patrolling van of local police called Nirbhaya Pathak regularly visits the campus for the prevention of offensive activities. Anti-Ragging Committee, Women Grievance Redressal Committee (Vishakha), and Discipline Committees plays a significant role in creating awareness and addressing gender related issues. The members of Discipline Committee monitor discipline in the campus. The college has Anti-sexual Harassment Committee to take necessary action on sensitive issues of the

girl students which helps to ensure their vibrant presence. Anti-Sexual Harassment Committee and Anti-Ragging Committee organizes number of programmes to generate awareness among the students.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The College has implemented the following measures for the wastemanagement.The college gives top priority to keep the campus clean and eco-friendly. The faculty members and students are regularly advised to reduce waste at lower extent. Students put waste in separate dust bins kept at different places in the college campus. Separate dustbins are kept for wet and dry waste in the campus. It is handed over to the Muncipal waste management vehicle. Old newspapers and raw paper material are sold out time to time. E-waste is generated in minimal amount in the college and the same is given to registered vendors. A worker has been appointed for cleaning the washroom.The college is conscious and aware of biomedical waste and understands its importance in maintaining sanitary conditions in the college

campus. The college campus does not generate any hazardous chemicals and radioactive waste. Pesticides for gardens and sanitation chemicals for the washrooms and Library are used within permissible limits and also disposed as per the government standards.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college efforts in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio economic and other diversities by organizing regularly various programmes such as NSS camp, collection of relief fund, inauguration of literary association, guest lecturers as well as the college organizes guest lectures and workshops on such diversities frequently. The college strictly follows the reservation policies as per the government of India for admissions of students and appointment of teaching and non teaching staff. The college has Cultural Department which organizes various activities. Students participate in various cultural activities such as University Youth Festival, College Annual Gathering, Anand Nagari, in which they present their performance differently as well as students participate in elocution, debate, and essay writing competition which enable to enhance cultural, regional, linguistic, communal socioeconomic and other diversities. The impact of these programmes is very effective for inculcating the values of tolerance and harmony towards cultural diversities. To maintain the linguistic importance, the Department of Marathi organizes various programmes such as Marathi Raj Bhasha day, elocution, essay writing etc competitions. Teachers adopt bi-lingual mode of teaching, wherever required and to assist students with linguistic challenges. This assists students to increase their academic performance.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college organizes various activities for inculcating values for being responsible citizens as reflected in the constitution of India. The college organizes various activities that strengthen our constitutional values and deepen our allegiance and responsibilities towards our nation. The college promotes human values, rights, duties and responsibilities of citizen to its students respect to National flag, National Anthem, Symbols of Indian freedom Struggle and National Integrity to develop a sense of patriotism and National heritage and the pluralistic culture of our country. Our college celebrates occasions like Mahatma Gandhi Jayanti, Republic day, Marathwada Mukti Sangram Din on 17th September every year etc. Events in memory of National leaders are also organised. Every programme organized in the college is concluded with the National anthem. Through national events such as Independence Day, Republic Day, Maharashtra Day and University foundation Day, Sanvidhan Din. To create awareness about Indian Constitution the Department of Political Science Celebrated Constitution Day on 26th November and it includes loud reading of Preamble. The department also organize Voters Day programme on 25th January for voting awareness and new voters registration awareness. Oath ceremony was organized on this day regarding vote for strengthening Indian democracy.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The college aims at inculcating culture values and nationalism in the students by celebrating the national festivals and birth anniversaries of great Indian personalities in the college every year. Students take an active part in organizing the Independence Day and Republic Day celebrations. On both these days, our national flag is hoisted and the national anthem is sung by all the attendees. The college helps students to relate with the cultural heritage and connect with their roots, by inculcating the importance of protection, preservation, and propagation of Indian culture. Due to the Covid pandemic, the institute was closed for some period. However, efforts have been made to conduct various important events through online mode. As well as we have celebrated following events in college campus during Covid- 19 pandemic. We have celebrated Rajmata Jijau Jayanti and Swami Vivekanand Jayanti on 12th January, Name extension of Dr. B.A.M. University on 14th January, Sant Sevalal Maharaj Jayanti on 15th February, Chhatrapati Shivaji Maharaj Jayanti on 19th February, Sant Gadge Baba Jayanti on 23th

February, Women's Day programme on 08th March, Yashwantrao Chavan Jayanti on 12 th March 2022.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices: 1. Inter College debating Competition. 2. Awareness programme through NSS

Objectives of the Practice: To provide platform to the students to develop their personality. To create awareness among students of social problems..

The Context: Debating Competition is organized on current and challenging contemporary issues. Various awareness activities are organised by NSS department.

The Practice: Debating Competition activity is useful to create awareness among students about political, social, educational and economical issues that Indian society is facing. This practice enables students to become responsible citizens.

Evidence of Success: Our college organizes Debating Competition every year for last 24 years. Ist Prize Rs. 5001/-, IInd Prize Rs. 3001/-, IIIrd Prize Rs. 1001/- and Four consolation Prizes of Rs. 501/- as well trophy is given to winner team. Various activities are organized by NSS department such as Swachh Bharat Abhiyan, voter awareness and participation in AIDS awareness.

Problem encountered: Students are reluctant to appear on stage and express their views and opinion regarding Political, Social and Economic problems of the society and nation on stage due to lack of stage courage. All the students admitted in the college are not interested in participating in extra curricular activities.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

As per the mission and vision of our institution we try for overall development of our students. We also take initiative to make our students responsible citizens. The institution provides an opportunity to deprived classes and poor students to complete their higher education. The institution is stick with its mission that to provide quality education to socially and economically backward classes. Though our institution is located in urban area, majority of students of our college comes from rural area. We regularly strive to create resources for educational upliftment of common people. Our college has enriched library. Majority of faculty are working as Research Guide. 12 faculties have awarded Ph.D. Degree. Dr. Chandrajit Jadhav (Physical Director) is working as All India Kho-Kho Federation Joint Secretary. He is working as Maharashtra Olympic Association Executive Member. To cope with various competitive examination career guidance Cell promotes students by arranging guest lectures in the college. Our college runs programmes i.e. B.Sc. Computer Science, Bachelor of Computer Application and M.Sc. Computer Science which are career oriented Programmes and provides job opportunities in Information Technology Sector. Thousands of our ex students are working as IT Professionals in various metro cities.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Being an affiliated Institution, the college is abided to follow the academic calendar of the affiliating University for curriculum delivery. To ensure the effective delivery of curriculum, the college has developed its own mechanism to monitor the overall process. Following the University calendar, the college prepares its own calendar and the same is circulated and uploaded on the Website. The calendar incorporates all the yearly activities to be undertaken. At the beginning of the session, staff council meeting is conducted to discuss the implementation of the perspective plan and all the faculty members are instructed to follow the calendar in teaching, learning and evaluation process. Thereafter, the time table is prepared and communicated to all Departments. The time-table is communicated to the students through college notice board and WhatsApp group. Besides, each department prepares its own plan for organization of the various academic activities. The teachers were asked to submit the progress report of the same to the IQAC. Similarly, the students are also instructed to submit the grievances through the complaint box with their suggestions and feedback. At the end of the academic year the report is submitted to the IQAC.

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	https://www.ternamvo.org/academic/

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The IQAC is responsible to prepare and implement the academic calendar for delivering curriculum and organizing related activities. During the staff meeting, the progress of academic activities is reviewed. To ensure the adherence to

the calendar, the daily curriculum delivery is noted in the academic diary. The teachers are instructed to engage the extra- classes if the delivery is affected by the leaves. Each department conducts the unit tests, seminars, internal assessment and terminal examination as per the scheduled prescribed in the calendar. The department conducts internal evaluation to ensure adherence to calendar. The theory and practical periods are conducted as per the time-table. At the beginning of the session, bridge course is conducted to find the slow learners. A review on courses completion is taken by the Principal during staff meeting.

1.3 - Curriculum Enrichment	
1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum	
Institution is very important part of society. It has a major	

role to play in various issues. Programms and courses covers following components to impart value education as follows.

- Issues relevant to professional ethics-

Many capacity building and personality development programs, courses and workshops are conducted by the institute to imbibe universal ethical principles such as honesty, trust, loyalty, respect for others.

- Issues relevant to environment and sustainability-

Our parent university has made environmental science as a compulsory credit course for all U.G. second year students. In the course study, student get introduced to ecology, ecosystem, natural resource conservation and management. Our N.S.S programs also handle different environment conservation activities such as tree plantation, water conservation, rural cleanliness.

- Issues relevant to gender-

The college follows reservation policies especially for women; constitution day is organized by the department of political science for awareness about the constitution day. Gender issues are exposed thoroughly to the students of literature.

- Human values issues-

The college organizes various activities to inculcate human values among the students such as welcome and send off function, celebration of National day, birth anniversaries of great people.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution always tries best for the academic improvement of students. At the beginning of the academic year different methods are applied to find out slow and advanced learners. It is done on the basis of tests and sometimes on the basis of marks obtained by student in previous year's examination. Those students who have obtained less marks than class average are considered as slow learners and those who have secured more marks than average are considered as advanced learners. To add into the knowledge of advanced learners, activities like seminars, lecture series, guest lectures are organized. To improve the academics of slow learners tests are arranged, study material and books are given from the departmental library of respective departments. Generally these efforts prove to be effective in improving the result of students but due to the pandemic and consistently extended lock down the above said pattern could not be implemented.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To increase students participation in teaching learning process, various student centric methods were applied by the institution. Student participation is encouraged by allowing them to ask questions in classroom on the completed topic. The entire process of the college is student centric and gives emphasize on their holistic development. Various activities and programs are organized by every department. Experiential learning: All departments encourage students to get an experience what they are studying in books. Departments of Marathi, Hindi, and English share the experience of their novels, dramas, short stories, and poetry. Departments of Political Science organized Voter's day as well as celebrated constitution day. Sports department arranges various types of sports events. Participative Learning: Participative learning plays a significant role in the actual learning process of our Teachers motivate students to participate in various activities such as literary and social science association, class seminar, group discussion, wallpaper publication, study tour. Students are inspired to involve in tree plantation and rangoli competition. The NSS, Sports and Cultural department organizes various participative activities. The Department of Computer Science has been completed projects on android based applications.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

During this academic year when classroom teaching was hampered due to the pandemic, online teaching was the only option to the problem. The institution took it as a new opportunity rather than a problem which led to discover new

tools of teaching learning process. Teachers used ICT tools such as Google meet, Google classroom, PPT, Videos, You tube for teaching process. Online lectures were taken through Google meet. Teachers learned new techniques of making videos which includes recording, editing, embedding, PPT in videos etc. The videos are posted on YouTube so that student can see and learn the lecture repeatedly making it easy to understand. Prior to that Whatsapp group of student were created to provide links of lectures and examination. The same Whatsapp group were used to disseminate the important notices regarding examinations, deadline date of exam forms, GOI scholarship etc. Due to COVID pandemic restrictions teaching in academic year 2021-22 was in offline, online and blending mode. During restrictions teachers has provided e-content on Whatsapp groups. Audio visual material created by teachers has created interest in learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college academic calendar incorporates schedule for continuous internal evaluation. As per the academic calendar an examination committee is constituted every semester to coordinate the all internal and external examinations. The examination committee Coordinates and communicates with new updates to the students, teachers and administrative staff regarding examinations. The internal evaluation committee which evaluate the academic progress of students through the teaching learning and evaluation committee of the college functions. As per academic calendar internal examination schedule is displayed on notice board in advance. Every year two internal examination are held per semester. All teachers conducted class test at the end of each unit of syllabus. The internal examination is also conducted for practical courses. All subject teacher briefs student in the classrooms about the performance in the internal examination and also their attendance. After completion of examination teacher shows internal examination answer books after evaluation to the students. Internal assessment mark list is displayed on the notice board. All teachers properly maintain internal question paper, answer sheets, summary of mark list for academic monitoring. Physical presence of the students was barred on the campus during COVID 19 Pandemic.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Terna Mahavidyalaya (Arts, Science & Commerce), Osmanbad runs traditional programme in Bachelor of Arts. i.e. B.A. Since July 1989. This programme is helpful to inculcate social and political values among Students. After completing the course students are recruited in State Government services or Private sector. Remaining students starts their own business. Now a days Information technology is playing important role in Industrial, Social and Political sector. Our college runs B.C.A. (Bachelor of Computer Application), B.Sc. (Computer Science), M.Sc. (Computer science). These Courses are job oriented courses. There are huge opportunities for the students of these Programme. The syllabus of the above programme is useful to develop computer skills and proficiency in computer knowledge of the students. The curriculum of these courses is designed as per requirement of I.T. sector. After completing the course, students join to IT sector. These courses are treated equivalent to Engineering degree Courses. Hundreds of our Ex-Students and alumni are working in metro city like Pune and Mumbai. Students who have completed the degree acquire the ability to design, develop and implement the Programs and projects in IT Sector. Students can work effectively with professionals in various field particularly in Information and communication Technology sector.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The IQAC has a strategy to implement the various activities to enhance the quality of higher education. The Vision of the college is "To provide educational facilities to the rural area and students from peasants families." which indicates that the approach of the college towards holistic development of the students. The college offers Four programmes
 1. Bachelor of Arts 2. Bachelor of Computer Science 3. Bachelor of Computer Application 4. Master of Computer Science. Out of four programmes Bachelor of Arts is a traditional programme and other programmes are skill enhanced which provides opportunities to students in IT sector. In every academic year our college has been working on the attainments of program outcomes and course outcomes. The college systematically makes plan to evaluate the students. Home Assignment, Class Test, Class Seminars, Group Discussion, and university assessment support to evaluate the learning outcomes. Programme specific outcomes (PSOs) are measured through overall performance of the student i.e. internal and external examination, in the practical and assignments, participation in class activities. Course outcomes (Cos) are measured through the performance of the student in the class, practical, internal evaluation and external evaluation. They are also measured on their regularity, punctuality, participation in class interaction.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Our college encourages and creates an ecosystem for innovation and transfer of knowledge by providing various opportunities for the students and staff. College has an enriching ecosystem that supports creativity and innovation with an objective to enable resources for graduate and post graduates to do research through mentoring and networking, to create awareness about research and new innovations among students, to motivate students to participate and collaborate in programs with corresponding organizations for knowledge exchange and to shift from resource facilitator to resource

provider for promoting and development research for students. During covid-19 situation, our faculties have participated in various research activities through online mode in order to create and transfer the knowledge. Our parent university has made Environmental Science as a compulsory credit course for all U.G. second year students. In the course study, student get introduced to ecology, ecosystem, natural resource conservation and management, Biodiversity conservation and learn environmental pollution control technology. Our N.S.S programs also handle different environment conservation activities such as tree plantation, water conservation, rural area cleanliness.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

“Vidyadhan Sarvdhan Pradhanm” is the motto of our institution. The vision of the institution is to provide quality education to the rural students, especially students from Farmer family.

“Vidyadhan Sarvdhan Pradhanm” means education is the best property. So all people including poor and farmers should acquire this with priority. Farmers are illiterate and that’s they are not able to improve themselves, but if they are educated, they can change their life with the help of modern techniques . So taking in to consideration the above factor, our institution dedicatedly providing better education to the poor and farmer students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Terna Mahavidyalaya, Osmanabad is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The college follows all rules and regulations laid down by Government and University. The administration process of the college is decentralized. The Principal along with the support of IQAC plans for the smooth functioning of college. The college has formed admission committee every year. Senior faculty members along with office administrative staff members are included in the committee. The college has 10 other functional committees for academic year 2021-22. Principal holds general meeting of all the teachers and non teaching staff of college at the beginning of the academic year. The head of each committee and its members plan the working of the committee. And the planned activities are implemented accordingly. IQAC prepares annual Academic Calendar which includes all activities of the department and committee. All the committees are doing their work responsibly. All committees make their annual plans in the beginning at the year. Work distribution is allotted accordingly. Annual teaching plan is prepared according to Academic Calendar. The non-teaching staff works for administrative purpose. Head clerk controls the administrative work and he is being supervised by the higher authority of the college.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

To achieve the objectives set by the institute, the perspective plan is principally designed. Academic calendar incorporates all curricular, co-curricular, extra-curricular activities of the college. The college has many functional committees, associations and cells which work according to the broad objectives set in the perspective plan as well as the objectives set in the academic calendar. Various committees in the college are effectively working under the guidance of the Principal and Internal Quality Assurance cell. These committees periodically organized the meeting in the presence of the Principal to discuss various issues and take decisions on it. The decisions taken in the meeting are forwarded to the College Development Committee (CDC) for the final approval and to the final execution of decision, which ascertains the efficiency of working of every committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The College is governed by Terna Public Charitable Trust, Osmanabad and it is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Collge has Performance Appraisal System for Teaching and Non teaching staff. The assessment and promotion of teaching staff of the college is based on Academic Performance Indicator (API) and Performance Based Appraisal System (PBAS) as per the regulation of UGC, New Delhi, Dr. B.A.M.University, Aurangabad and Government of Maharashtra. Currently the College follows the guidelines of UGC regulation, July 2018. The API is filled in by the staff, verified by the HOD and submitted to IQAC. Every academic year IQAC collects the API form all the faculty members. Performance Based Appraisal System forms are screened for such staff members and validated by the IQAC. The subsequent promotion is through a procedure of verification of scores, recommendation by The management and personal interviews by the panel constituted as per norms. The committee forwards the case to the Joint Director, Higher Education, Government of Maharashtra for Pay and Grade Fixation. The Performance appraisals system for non teaching is carried out through report by Office Superintendent to the Principal.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

To maintain and enhance the Academic and administrative quality of the institution college has established Internal Quality Assurance Cell. Quality Assurance strategies initiated by the IQAC are as follows. IQAC prepares Academic Calendar and monitors the activities regularly. It ensures optimum utilization of the available infrastructure and human resources. Accordingly it has adopted quality improvement strategies in curriculum delivery, teaching - learning, examination, research and development. Teachers were encouraged to create WhatsApp groups of each class for online teaching. During Covid-19 all the activities planned in the institutional academic calendar were hampered and need to be postponed. But IQAC strived to stick to the planned activities as per time available through online and offline

mode. For this it strengthened its two important platforms namely online mode of teaching and to assist the result of online content delivery to the students. During Covid-19 there came a gap between teachers and students as physical presence on campus was barred due to Government circular from time to time.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college has a functional IQAC set up as per the norms at periodic intervals, the institution reviews its teaching learning process, structure and methodologies of operations and learning outcomes through IQAC by the following ways.

Student's feedback : Curriculum based online feedback is taken and analyzed and action taken report is prepared. Student's feedback significantly shows the quality of the process. Due to the pandemic online teaching is introduced and teachers created the whatsapp groups. ICT tools were used to deliver lectures. The faculty makes maximum use to ICT in teaching learning process, 01 LCD projector is available for effective teaching learning process. The approach of IQAC has always been focused on student centric teaching learning process and has designed the policy to assess and evaluate it from time to time.

Academic monitoring : The institution has developed its own standard system to monitor its teaching learning process and academic activities. Academic audit is done through internal committee set up by Principal and external committee appointed by the university. Principal conducts the regular meeting and takes the follow up of activities. Syllabus completion is strictly monitored by the Principal and the syllabus is completed within the stipulated time.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college has been sensitive to the issues of gender equity & sensitization is carried out through various curricular and cocurricular activities, and by providing facilities for women. There is 24 hours security in the college the security is managed by duty appointed. All the preventive measure for the safety and security are being taken care. The college provided separate common room for girl student. The girl's

common room is well equipped with emergency need like Sanitary, Napkin, Vending Machines and first aid kits. The college is very keen regarding safety and security of the girl students and women faculties. The patrolling van of local police called Nirbhaya Pathak regularly visits the campus for the prevention of offensive activities. Anti-Ragging Committee, Women Grievance Redressal Committee (Vishakha), and Discipline Committees plays a significant role in creating awareness and addressing gender related issues. The members of Discipline Committee monitor discipline in the campus. The college has Anti-sexual Harassment Committee to take necessary action on sensitive issues of the girl students which helps to ensure their vibrant presence. Anti-Sexual Harassment Committee and Anti-Ragging Committee organizes number of programmes to generate awareness among the students.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid

waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The College has implemented the following measures for the wastemanagement. The college gives top priority to keep the campus clean and eco-friendly. The faculty members and students are regularly advised to reduce waste at lower extent. Students put waste in separate dust bins kept at different places in the college campus. Separate dustbins are kept for wet and dry waste in the campus. It is handed over to the Muncipal waste management vehicle. Old newspapers and raw paper material are sold out time to time. E-waste is generated in minimal amount in the college and the same is given to registered vendors. A worker has been appointed for cleaning the washroom. The college is conscious and aware of biomedical waste and understands its importance in maintaining sanitary conditions in the college campus. The college campus does not generate any hazardous chemicals and radioactive waste. Pesticides for gardens and sanitation chemicals for the washrooms and Library are used within permissible limits and also disposed as per the government standards.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college efforts in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio economic and other diversities by organizing regularly various programmes such as NSS camp, collection of relief fund, inauguration of literary association, guest lecturers as well as the college organizes guest lectures and workshops on such diversities frequently. The college strictly follows the reservation policies as per the government of India for admissions of students and appointment of teaching and non teaching staff. The college has Cultural Department which organizes various activities. Students participate in various cultural activities such as University Youth Festival, College Annual Gathering, Anand

Nagari, in which they present their performance differently as well as students participate in elocution, debate, and essay writing competition which enable to enhance cultural, regional, linguistic, communal socioeconomic and other diversities. The impact of these programmes is very effective for inculcating the values of tolerance and harmony towards cultural diversities. To maintain the linguistic importance, the Department of Marathi organizes various programmes such as Marathi Raj Bhasha day, elocution, essay writing etc competitions. Teachers adopt bi-lingual mode of teaching, wherever required and to assist students with linguistic challenges. This assists students to increase their academic performance.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices: 1. Inter College debating Competition. 2. Awareness programme through NSS

Objectives of the Practice: To provide platform to the students to develop their personality. To create awareness among students of social problems..

The Context: Debating Competition is organized on current and challenging contemporary issues. Various awareness activities are organised by NSS department.

The Practice: Debating Competition activity is useful to create awareness among students about political, social, educational and economical issues that Indian society is facing. This practice enables students to become responsible citizens. **Evidence of Success:** Our college organizes Debating Competition every year for last 24 years. Ist Prize Rs. 5001/-, IInd Prize Rs. 3001/-, IIIrd Prize Rs. 1001/- and Four consolation Prizes of Rs. 501/- as well trophy is given to winner team. Various activities are organized by NSS department such as Swachh Bharat Abhiyan, voter awareness and participation in AIDS awareness. **Problem encountered:** Students are reluctant to appear on stage and express their views and opinion regarding Political, Social and Economic problems of the society and nation on stage due to lack of stage courage. All the students admitted in the college are not interested in participating in extra curricular activities.

7.3.2 - Plan of action for the next academic year

Future plan of action for next academic year i.e. 2022-23 is prepared by IQAC of the college in the last meeting of college under the guidance of Principal. The future plan of action was prepared to enhance quality education. To prepare academic calendar of the college to ensure all activities could be planed and implemented systematically. We are planning to arrange industrial visit and educational Tours. Industrial visit is helpful to gain practical knowledge. Students can observers and learn how theoretical concepts are put in to action. To arrange Career Advancement Scheme Camp for Academic Level 13 A. To promote the teacher for research publication. To organize International Level Conference by Marathi Department through online mode. To start certificate courses by Department of English and Department of Computer science. To arrange annual gathering to provide platform to college student to find out their hidden talent. To increase participation of faculty in national and international conferences. To inculcate ethical and social responsibility among students through participation in various activities. To complete the remaining construction work of college fencing wall.
