Vision and Mission

“Vidyadhan Sarvdhan Pradhanm” is the motto of our institution. The vision of the institution is to provide quality education for the rural students, especially students from Farmer family.

“Vidyadhan Sarvdhan Pradhanm” means education is the best property. So all people including poor and farmers should acquire this with priority. Farmers are illiterate and that's they are not able to improve themselves, but if they are educated, they can change their life with the help of modern techniques. So taking in to consideration the above factor, our institution dedicatedly providing better education for the poor and farmer students.

The Vision :

To provide educational facilities to the rural area and students from peasant families.

The Mission :

- Providing quality education to socially and economically backward classes.
- Bringing out educational development of rural population.
- Bringing out social transformation through education.
- Creating resources and utilize them for educational upliftment of common people.
- Promoting intellectual and cultural development of society. Introducing technical and professional education for increasing employability and economic development.
- To create a wide-spread educational network seeking mass participation in education.
- To find out potential of the rural area students in various fields.
- To inculcate scientific temperament among the students.
- To provide computer education to rural area students.
- To provide stage for the cultural spirit of the students.
- Introducing technical and professional education to increasing self- employment and economic development.
